

## REGISTRATION FORM

Please complete separate forms for each class and registrant. You may photocopy this form. Be sure to print clearly and complete all information.

All registrations must be submitted by mail except for those indicated in the course listings. You must register for all programs even though there may be no cost attached to the course. Registration will occur on a "first-come, first-served" basis, so register early. Once your check is received in the district office, you are considered registered. You will not receive a registration confirmation, but you will be notified if a class is full or canceled, so be sure to include your phone number and e-mail address. **Please submit a separate form and check for each course.** Checks should be made payable to "Schalmont CSD." They are non-refundable unless a program is canceled. Please be aware that there is a separate materials fee for some classes—typically payable to the instructor at the first class.
