

Please fill in the chart for the day(s) you would like to attend tech camp

Name _____ Building _____

Day 1	First Class Webpage Enhancements
What are you hoping to accomplish by attending day 1? (either your lesson idea or your project you will work on?)	
What materials will you be bringing with you to work with?	
Day 2	Visual Enhancements to your classroom instruction
What are you hoping to accomplish by attending day 2? (either your lesson idea or your project you will work on?)	
What materials will you be bringing with you to work with?	
Day 3	Increase class participation by using "clickers" to assess your students' learning
What are you hoping to accomplish by attending day 3? (either your lesson idea or your project you will work on?)	
What materials will you be bringing with you to work with?	
Day 4	Individualized Instruction: It's your chance to select the project you want to work on and we'll provide the support
What are you hoping to accomplish by attending day 4? (either your lesson idea or your project you will work on?)	
What materials will you be bringing with you to work with?	

TECH CAMP APPLICATION

Name _____ Building _____ Date _____

1. One of the expectations for participating in Tech Camp is that you would share a lesson that you created. Would you be willing to share an example of one of your tech lessons during the October professional development day?
2. Do you have a First Class Webpage?
3. Have you used a digital camera?
4. Have you used a digital video camera?
5. Do you see a use for student response systems in your classroom?
6. Have you tried to implement technology in your classroom before? And if so, was it successful? If not, what frustrations did you experience?
7. Which days and times would you like to attend?
8. What would you like to work on during day 4 if you plan on attending that day?
