

Sabre Star Awards

Schalmont Star awards will be given to middle school students who perform random acts of kindness for others. Students can earn stars by helping fellow students, teachers, teacher aides, secretaries, and janitors, anyone here at the middle school. Students can be nominated by anyone as well. Each teacher will receive a packet of “star” awards. If you would like to nominate someone, just ask a teacher to put a star in some one’s name, and explain what that person did to earn a star. The teacher will write the person’s name on a star and a brief description of what they did to earn it. They can then place the star in a collection box in the MS mail room. The stars will then be displayed on the bulletin board outside of the cafeteria for the entire year. Each grade level will have different colored stars and a separate collection box in the mail room. There will be prize drawings at the end of each quarter for students who earn a star, and rewards for the different grade levels based on the total number of stars earned by students from each grade. It’s always a good thing to help others, and remember:

SABRE PRIDE!!!!
