Schalmont Central School District has been offered a free service from our local BOCES. This allows us to partner with BrightBytes, an educational research organization, in order to learn more about our students' school and home technology use for learning. We are reaching out to ask you to take part in the Technology & Learning questionnaire. Your participation is essential in helping us form a more complete picture of technology use for learning in your students' lives. Please know that all of your responses will remain anonymous to protect your privacy. To participate, please click the link and answer the questions to the best of your ability.
