

## Community Relations

**SUBJECT: DISTRICT WEB SITE**

In order to support the vision and mission of the School District, the District will create and maintain a web site for the following purposes:

- a) A place to showcase innovative student and staff educational projects.
- b) A gateway to District and community resources and to educational web sites.
- c) A means for the community to access District information.
- d) A means to enhance communications among students, District personnel, the community and associated organizations.

The District web site may not be used for any commercial promotional activity.
