

## Administration

**SUBJECT: ABOLISHING AN ADMINISTRATIVE POSITION**

Existing administrative positions shall not be abolished by the Board of Education without previous written notification of the impending abolition. Such written notification is to be served to the individual currently holding that position, and must be given thirty (30) days prior to the effective date of abolition. In all cases the individual currently holding the position should receive as much advance notice as possible.

This policy is also pursuant to the contract between the School District and the Schalmont Administrator's Association.
