

Students

SUBJECT: TUTORING

A borderline secondary student may be allowed to advance after completion of work by tutoring or attending and passing an accredited summer school with the following qualifications:

- a) That the tutor, a certified teacher, will be acceptable to the parent and to the building principal.
- b) That the tutor will cooperate with the school in planning and conducting an approved program.
- c) That a letter from the building principal must accompany the child to an accredited summer course.
