**SUBJECT: TERMS OF STUDENT REQUIRED USE, INTERNET AND 1:1 DEVICE
(CHROMEBOOK) SAFETY**

Students issued a District-owned 1:1 device (Chromebook) in their 9th grade school year are required to adhere to these guidelines for required use, internet use and 1:1 device (Chromebook) use at both home and school for the entire time they are entrusted with the care and use of the device. Specifically, students:

1. Will use appropriate language in all communications avoiding profanity, obscenity, and offensive or inflammatory speech. Cyberbullying, such as personal attacks/or threats on/against anyone made while using district-owned technology to access the Internet or local school network, is to be reported to responsible school personnel. Rules of “netiquette” and good digital citizenship should be followed conducting oneself in a responsible, ethical, and polite manner.
2. Will make available for inspection by an administrator or teacher upon request any messages or files sent or received at any Internet location. Files stored and information accessed, downloaded, or transferred on district-owned technology are not private.
3. Will follow copyright laws and should only download/import music or other files to a district-owned technology that he/she is authorized or legally permitted to reproduce or for which he/she has the copyright.
4. Will never reveal identifying information, files, or communications to others through email or post to the Internet.
5. Will not attempt access to networks and other technologies beyond the point of authorized access. This includes attempts to use another person’s account and/or password.
6. Will not share passwords or attempt to discover passwords. Sharing a password could cause the primary user to become liable if problems arise with its use and be subject to disciplinary action.
7. Will not download and/or install any potentially harmful programs, files or games from the Internet or other sources onto any district owned technology. This includes the intentional introduction of computer viruses or other malicious software.
8. Will not tamper with district owned computer hardware or software, engage in unauthorized entry into computer, vandalize or destroy the computer or computer files. Damage to computers many result in disciplinary action. Report any and all damage or loss of device immediately to the school administrator.
9. Will not attempt to override, bypass or otherwise change the Internet filtering software or other network configurations.
10. Will not bring Chromebook nor any other type of electronic device into a classroom or any other location where a New York State assessment is being administered.
11. Will use district owned technology for school-related purposes only during the instructional day, at home or elsewhere while refraining from use related to commercial, political or other private purposes.

(CHROMEBOOK) SAFETY**

12. Will not make use of materials or attempt to locate materials that are unacceptable in a school setting. This includes, but is not limited to; pornographic, obscene, graphically violent or vulgar images, sounds, music, language, video or other materials. The criteria for acceptability is demonstrated in the types of material made available to students by administrators, teachers, and the school media center. Specifically, all district owned technologies should be free at all times of any pornographic, obscene, graphically violent, or vulgar images, sounds, music, language video or other materials.
13. Will keep the Chromebook secure and damage free.
14. Will not loan your Chromebook or charger or cords to anyone.
15. Will not leave Chromebook in vehicles, unattended, or eat or drink in close proximity to Chromebook.
16. Will not stack objects on the Chromebook or leave near water or place on the floor.
17. Will clearly label Chromebook, power cords and charger with student name.
18. Will bring Chromebook to school fully charged and in good working order each day.
19. Will report immediately to a school official any damage to or loss of their Chromebook.

By signing below, you are in agreement to abide by the conditions listed within this regulation and assume responsibility for the care and proper use of Schalmont owned technology specifically the 1:1 Chromebook including personally backing up data. Schalmont is not responsible for any loss resulting from delays, non-deliveries, missed deliveries, lost data or service interruptions caused by user error, omissions or reasons beyond the District's control. Information obtained via the Internet or other resources using District owned technology is not guaranteed as to its accuracy or quality. It is strongly recommended that parents obtain insurance through the school district for each student Chromebook issued and provide a secure cover for the device.
