**SUBJECT: EXTRACURRICULAR ACTIVITIES**

The Board of Education considers extracurricular activities to be a valuable part of the program of the school and shall support these activities within the financial means of the District.

Where there is sufficient student interest, the Board of Education will make every reasonable effort to provide an advisor for the extracurricular activity.

**Limited Open Forum**

The Board of Education maintains a limited open forum where secondary students may meet for voluntary student-initiated activities unrelated directly to the instructional program, regardless of religious, political or philosophical content.

To provide “a fair opportunity” to students who wish to conduct a meeting, the Board of Education, in accordance with the provisions of the Equal Access Act, shall ensure that:

- a) The meeting is voluntary and student-initiated;
- b) There is no sponsorship of the meeting by the school, the government, or its agents or employees;
- c) Employees or agents of the school or government are present at religious meetings only in a nonparticipatory capacity;
- d) The meeting does not materially and substantially interfere with the orderly conduct of educational activities within the school; and
- e) Nonschool persons may not direct, conduct, control, or regularly attend activities of student groups (20 U.S.C. Section 4071[c]).

The Board prohibits student organizations whose activities may be unlawful or may cause disruption or interference with the orderly conduct of the educational process.

Administration is responsible for establishing regulations governing the use of school facilities by student organizations.
