RE: Health Insurance Opt Out

Below you will find the policy regarding the health insurance buyout as negotiated in the contract followed by the Schalmont School Related Professionals Association.

Please review this policy and, if you choose to opt out of the health insurance plan offered by the District, complete the opt-out form and return to the District Office no later than June 17, 2022.

OPT OUT

I hereby opt out of the Schalmont Health Insurance Program under the terms of the opt out policy and the Schalmont School Related Professionals Association Collective Bargaining Agreement.

I stipulate that I am or will be covered under an alternate health plan during the opt out period and have attached a copy of my current health insurance card.

I understand that I may not re-enroll in the health plan until the next enrollment period with an effective date of July 1, 2023, unless I lose health coverage or have a change in family as defined in the opt out policy. **Applications for re-entry must be made within thirty-one (31) days of any change in status or loss of coverage.**

I have read and fully understand the above and opt out of the plan. Single employees are eligible for opt out of \$1,000, and family employees are eligible for opt out of \$2,500. Payment will be made pursuant to the opt out policy and SSRPA Collective Bargaining Agreement.

*****This opt out is for health insurance only and has no effect on your vision & dental coverage or lack thereof.***

Return to Brenda Leitt
Schalmont CSD District Office

Please note: For contracts issued or renewed on or after October 9, 2009, health plans are required by federal law to continue coverage for students who begin a medically necessary leave of absence from a post secondary institution or who experience a change in enrollment status as a result of a serious illness or injury during that plan year. If your dependent is a dependent under your plan and meets the requirements for a medical leave of absence, your dependent's coverage will be extended to the earlier of (i) 12 months from the date the medical leave (or change in enrollment status due to serious illness or injury) began or (ii) the date on which the coverage would otherwise terminate under the terms of your plan. To be eligible for this continued coverage, the dependent must be enrolled in the plan on the basis of being a student immediately before the medical leave begins and the treating physician must certify in writing to the medical necessity of the leave of absence (or other change of enrollment)."
