

SCHALMONT HIGH SCHOOL
BOARD PRESENTATION
SEPTEMBER 26, 2022

ACADEMIC PROGRAMS AT THE HIGH SCHOOL

Creating Opportunities Through
Student-Centered Thinking

HIGH SCHOOL MISSION

To create an academic program that is student centered, rigorous and relevant, that grows and develops with the needs and interests of our students, the landscape of education, and prepares our students for their post-secondary plans.

The academic program will provide enrichment opportunities, while meeting the educational needs of all our students.

Thinking Forward

- Tier 2 Interventions
 - Academic Coaching & Structured Study Hall
- Social Studies AIS
- English AIS
- Algebra 1 w/ Lab & Geometry w/ Lab
- Efficient Scheduling of Students & Staff
- Enhanced Consultant Teacher Model
- On Time Credit Recovery
- Maximizing Counseling and MH Resources

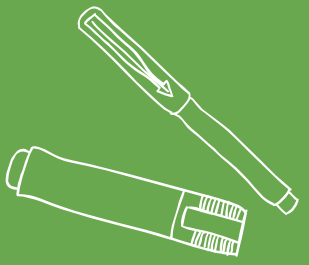

Mid-Year Presentation
2/22/21

Focus on the why?

Prevention vs Intervention

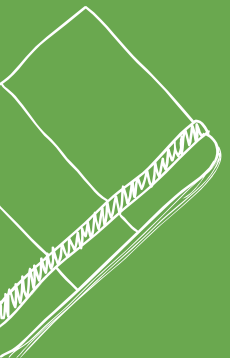

..... Acceleration & Enrichment
