

## Support is always here with Baby BluePrints®.

Everyone's pregnancy journey is different. Which is why, when you're expecting, you should have personalized support at each step.

That's what you get with Baby BluePrints. This online program offers educational info on all aspects of pregnancy, plus one-on-one support from a women's health specialist.

It's totally covered by your health plan, and has everything you need to stay calm, confident, and informed while you wait for your little one to arrive.

### Enrolling is easy.

You can sign up at any point during your pregnancy, but earlier is better to make the most of the program.
