

Dr. Thomas B. Reardon, Superintendent of Schools, Ext. 4001

Dear Families,

Welcome to Schalmont! In this Kindergarten Packet, you will find all the forms you need to register your child.

The first step is to complete the "New Student Registration Form" and contact Registrar Jenn Knight (518-355-9200 ext. 4005 or jknight@schalmont.net) in our District Office. We will schedule an initial registration appointment to review paperwork and answer any questions you may have. Please complete the rest of the forms and bring them to your appointment, along with any necessary documents listed below.

Once your paperwork has been fully reviewed, your child's school will contact you with your child's teacher, bus information, and other details. Again, please feel free to reach out anytime if you have any questions.

Required Documents

Please be prepared to provide **two proofs of residency** when you register your child (note: PO boxes are not acceptable).

Proof 1 – Determine which of the four selections listed below you fall under:

1. Registrants who are homeowners:

- Existing home Proof of ownership of residential property within the district, such as a deed, a mortgage statement, or a copy of a school tax bill.
- New home Copy of sales/building contract including proof of closing date plus photography of new home. If you are not living in the home when registering, a Certificate of Occupancy must be provided within 90 days. Transportation during the transition is the responsibility of the homeowner.

2. Registrants who are renters:

Signed residential lease agreement for property within the district.

3. Registrants who are living with another district family:

 Statement from the district resident who owns the property that the registering family resides with, using the notarized affidavits (for both families).

4. Registrants sponsoring a foster child:

 A district may also accept other proof such as documentation indicating that the child resides with a sponsor with whom the child has been placed by an agency. Please provide evidence from Department of Social Services, a written statement from the foster parents, and form LDSS 2999.

Proof 2 – One of the following:

- Pay stub, income tax form, utility or other bills
- Voter registration documents
- Official driver's license, learner's permit, or non-driver identification card
- State or other government-issued identification
- Documents issued by federal, state or local agencies (e.g. local Social Services agency, federal Office of Refugee Resettlement)
- Evidence of custody (e.g. court order, guardianship papers)

If you cannot prove the student's residency with a family, you may qualify for McKinney-Vento status (see Student Residency Questionnaire form in packet).

Please be prepared to present the following additional documentation at the time of registration:

- Health records for the student(s)
- Special education information, such as an Individualized Education Plan and most recent psychological evaluation (if applicable)
- Custody papers (if parents are separated, divorced, or not living together)
- A child's certified birth certificate or certified baptism records. If neither are available, school officials may consider the following as evidence of a child's age:
 - Passport
 - Official driver's license
 - Government issued identification
 - School Photo ID with birthdate
 - Consulate ID with birthdate
 - Hospital or Health Records with birthdate
 - Other government issued documents showing age, including court orders and custody papers (e.g. military dependent ID card)
 - Records from non-profit international aid agencies

Schalmont reserves the right to require verification of any documentation provided. All children between the ages of 6 and 21 who have not yet graduated from high school and who are residents of Schalmont Central School District have a right to attend our schools.

If the School Resource Officer verifies that any registration documents have been falsified, written notice will be provided to the parent/guardian stating that the child is not entitled to attend our schools.

Should any questions arise during the registration process, please call the District Office. Thank you!

Sincerely,

Dr. Thomas Reardon Superintendent

Dr. Thomas B. Reardon, Superintendent of Schools, Ext. 4001

Dental Health Certificate

Parent/Guardian: New York State law (Chapter 281) permits schools to request an oral health assessment in the following grades: school entry, K, 2, 4, 7, and 10. Your child may have a dental check-up during this school year to assess his/her fitness to attend school. Please complete Section 1 and take the form to your registered dentist or registered dental hygienist for an assessment. If your child had a dental check-up before he/she started the school, ask your dentist/dental hygienist to fill out Section 2. Return the completed form to the school's medical director or school nurse as soon as possible.

I understand this assessment is only a limited means of evaluation to assess the student's dental health, and I would need to secure the services of a dentist in order for my child to receive a complete dental examination with x-rays if necessary to maintain good oral health						
I also understand that receiving this preliminary oral health assessment does not establish any new, ongoing or continuing doctor- patient relationship. Further, I will not hold the dentist or those performing this assessment responsible for the consequences or results should I choose NOT to follow the recommendations listed below.
