- 1 poly plain PURPLE folder**
- 2 Composition Notebooks (minimum of 80 pages)
- INEXPENSIVE earbuds (for Chromebook use)

Other:

Donations of Clorox/Lysol wipes and tissues are always welcome!

****Please note that for these items, the amount listed is for the entire year. Students should not bring all of them on the first day... several pencils and 1 of everything else will be plenty! They can leave all additional supplies at home and replenish during the year, or until we are able to use lockers.***

***** No FIVE STAR brand for folders. They will not fit in the bins we have for materials.***

We will label notebooks and folders on the first day of school! (I will provide labels for the kids. You don't need to label anything as we color code everything in class)
