PURCHASING

The Board of Education views purchasing as serving the educational program by providing necessary supplies, equipment and related services. Purchasing will be centralized in the business office under the general supervision of the Purchasing Agent designated by the Board. The purchasing process should enhance school operations and educational programs through the procurement of goods and services deemed necessary to meet District needs.

Opportunities will be provided to all responsible suppliers to do business with the school District.

Adoption date: 01/08/2024
