

## A vibrant, flat-style illustration of various school supplies. In the center is a dark blue backpack with a red rectangular patch. To its left are several books in yellow, orange, and blue. Three pencils (yellow, blue, and red) are positioned above the books. In front of the books is a red apple. To the right of the apple is a blue calculator. Further right is a yellow ruler and a pair of blue scissors. In the background, there are more books and a yellow folder. The entire illustration is set against a white background.

- Lastly, donations of Clorox/Lysol wipes and tissues are always appreciated!

***No need to label supplies - we will do it together!***

# Teacher-Specific Supplies

In addition to the supplies that all teachers request, please purchase these additional supplies once you receive your child's classroom placement.
