**STUDENT REPRESENTATIVE REPORT**

Miss Riccio and Miss Rossetti reported at the High School, Schalmont has a brand new Archery Club and they finished second in their first tournament! Congratulations to Senior Basketball player, Will Osta, who broke the school record in having ten 3-pointers in a game since 2006. Students had their annual Career Fair for their Career and Financial Management Class, a great way for students to talk about their interests with real working adults, and get them to start networking. Three students participated in the State Senate Student Advisory Council, Thyana Santiago, Gabbie Lansing and Cameron Cox, they did this for five weeks with other students and got a better sense of how the legislative process works. Schalmont's Tri-M Honor Society went holiday caroling to raise money for the City Mission. New members were selected for the English Honor Society right before the holiday break congrats to them! At the Middle School, they had their first drama production, which was, "Finding Nemo". It was such a great event for the kids to learn and get out of their shell, and something that will help them get better before they go to High School. Congratulations to the Band and Chorus Students who had outstanding performers in their concerts right before the Holiday break! At Jefferson Elementary, the new Best Buddies Club had some fun before the Holidays with students coming together for games and crafts. Jefferson students showed their skills and had fun in their PE stations. At Woestina Elementary, the pre-k students for next year are currently in planning.
